**San Francisco Department of the Environment
SFSU Internship**

SF Environment Description:

The Department of the Environment's mission is to improve, enhance, and preserve the environment and promote San Francisco's long-term environmental sustainability.

SFSU Internship Description:

The Zero Waste Campaign is an ongoing effort to improve waste diversion at San Francisco State University. These efforts include:

- outreach and education for students, faculty and staff on proper waste disposal
- monitoring, tracking and auditing waste diversion
- maximize and sustain a higher and more efficient waste diversion rate

Internship Description:

SF Environment is seeking a Zero Waste Campaign intern for a minimum of 4 months. This internship is open only to SFSU student. Duties may include but are not limited to the following:

1. Assist with training and coordinating volunteers for waste monitoring and on campus information booth: manage schedules, implement information guidelines and promote volunteer opportunities
2. Participate with outreach and education by monitoring waste bins, giving classroom presentations, handing out surveys etc.
3. Assist in planning and implementation of monitoring, tracking and auditing waste diversion
4. Updates and maintains permits required for information booth and waste monitoring with campus administration and building management
5. Works with appropriate faculty and city college staff to plan and implement strategies that will further student participation in the zero waste program on campus.
6. Assists with special events such as Earth Day or other related sustainability activities.
7. Attend campaign update meetings and present measurable data about the campaign such as volunteer participation, conversations with students, waste diversion, etc.
8. Provide information to SFSU volunteers about other outreach opportunities available in SF through SFE.
